Dear <forename>,

Our TEDS21 Study is split into two phases and we are now launching Phase 2. Don't worry if you didn't take part in Phase 1 of the study – we would still appreciate your participation in phase 2. This questionnaire covers themes such as relationships, health and life experiences. It will typically take no more than 30 minutes to complete and you will receive a £10 Love2Shop voucher code to thank you for taking the time to help us with our research.

You can complete the enclosed questionnaire and return it in the freepost envelope provided along with the enclosed consent form. If you prefer to take part electronically you can download our app:

iPhone users: search for TEDS 21 on iTunes (note the space between TEDS and 21!)

Android users: search for TEDS21 on the Play Store
